BLUE LANTERN ADVISORY

Senior SME Training & Capacity Building

Mission & Value

Blue Lantern Advisory enhances the investigative and operational capabilities of partner nations by providing seasoned law-enforcement, intelligence, and military subject matter experts (SMEs) who deliver tailored training, mentoring, and technical assistance.

We draw on a network of former federal agents, intelligence community leaders, prosecutors, and specialized trainers who understand how to build sustainable capabilities aligned with host-nation laws, procedures, and cultural norms. Our experts focus on strengthening institutions, advancing the rule of law, and instilling the professional standards and integrity that create enduring reforms.

Core Competencies

- **Investigative Capacity Building:** Interviewing/interrogation, surveillance, and evidence collection, plus mentoring detectives and prosecutors on homicides, organized crime, money laundering, and cybercrime.
- **Border & Aviation Security:** Customs, immigration, and export-control training; port-of-entry operations; surveillance and interdiction to counter trafficking, smuggling, and terrorist travel.
- **Forensics & Digital Evidence:** Lab assessments, ISO accreditation coaching, crime scene management, and digital and biometric evidence handling for cross-agency information sharing.
- **Counterterrorism, AML & Cybercrime:** Financial investigations, cryptocurrency tracing, and cybercrime analysis; building special units to disrupt terrorist financing and transnational threats.
- **Judicial & Rule-of-Law Reform:** Modernizing statutes and procedures, witness-protection programs, prison management, and accountable, transparent judicial systems.
- **Training of Trainers:** Curricula and leadership development that equip host-nation instructors to replicate training and sustain capabilities independently.
